INSTALLATION INSTRUCTIONS

Please make sure you do not install mirrors within 14 days of painting on freshly painted walls.

We suggest you use another person to help you install this mirror.

We recommend using:

- Double sided mirror mounting tape
- Selleys 310g Liquid Nails Mirror Metal and Glass Adhesive
- Caulking gun
- Spirit Level

1. Ensure that the back of the mirror and the wall surface are clean, dry and free from dust, grease, oil and loose powdery materials.
2. Apply double-sided tape **on the vinyl backing only** around the perimeter and through the centre of the mirror backing. (as per image). Please ensure that the double-sided tape is used only on the vinyl surface.
3. Apply a thick bead (5-6mm) of Selley's Liquid Nails down each edge of the mirror backing surface. Do not apply within 5cm of the mirror edge. **Ensure that Selley's Liquid Nails is used only on the mirror backing (not vinyl surface).**
4. Using a spirit level, place mirror on wall applying pressure to all areas.
5. Prop mirror for 48 hours to avoid movement.
6. **Recommended: Sealing the edges of the Mirror**
Please allow 7 days before sealing the edges for the product to cure.
Apply a thin layer of clear silicone caulking to the crease between the mirror frame and the wall. Use a wet finger to smooth the caulking over the entire seam. Clear silicone caulking is waterproof, which prevents any water from getting in underneath the mirror.

DAMAGE OR LOSS CAUSED BY FAILURE TO COMPLY WITH THE ABOVE INSTRUCTIONS WILL NOT BE COVERED BY ZENEXUS'S WARRANTY AGAINST DEFECTS.

IMPORTANT SAFETY INFORMATION:

- When handling glass always wear gloves and eye protection.
- Mirrors are manufactured from ordinary annealed glass and shall not be installed:
 - Where safety glazing is required.
 - To any door other than to a timber wardrobe door.
 - As a side panel to a door.
 - Within 2000mm of any stairs (minimum 2 risers).
- Mirrors must always be completely adhered to a solid backing (e.g. Wall, timber cupboard) in such a way that all pieces will remain bonded to the backing in the event of glass breaking.
- The bottom edge of a mirror shall be installed;
 - Not less than 500mm above floor level in a dwelling (e.g. house, apartment),
 - Not less than 1000mm above floor level in a school or early childhood centre,
 - Not less than 1500mm above floor level in an aged care building or nursing home.
- Due to our policy of continuous development, all designs and measurements are intended only as a guide and are subject to change without notice.
- Please confirm all particulars before purchase.
- We recommend having the product on site before commencing rough in.

CARE INSTRUCTIONS

- The safest cleaner for a mirror is clean, warm water used with a soft, lint-free cloth. Wring all water from the cloth before wiping the mirror. Dry the mirror immediately with a dry, lint-free cloth as water that collects on mirror edges can cause damage over time.
- Do not use acid (vinegar) or alkaline (ammonia) cleaners for mirror cleaning. No abrasive cleaners should ever be used on any mirror surface.
- Do not spray cleaners directly on the mirror. Always apply cleaner directly to a soft, lint-free cloth and then wipe the mirror. This will help prevent the cleaner from contacting the edges of the mirror and causing damage.
- Do not allow water to collect and sit on mirror edges as it can cause damages (black edges).
- Be sure to read the label on the cleaning products before use.

Product Warranty Statement

Thank you for purchasing a Living Elements Mirror.

Please fully inspect your mirror within 14 days of collection or delivery and prior to installation. Please note that delays in inspection may mean that exact replacements for damaged products may no longer be available.

1. We warrant that this product will be free from defects in materials or manufacture for a period of 12 months from date of purchase (warranty period) of the products from a retail store operated by Bunnings Group Ltd (in Australia) or Bunnings (NZ) Ltd (in New Zealand) (Bunnings store).

2. We are:

Sales Force National Pty Ltd trading as Zenexus (Us or We)

Fax: 03 8080 3292

Email: info@zenexus.com.au

New Zealand contact details:

Telephone: 0800 443 058

Email: customerservice@zenexus.co.nz

3. This warranty is in addition to your statutory rights under the Australian Consumer Law (in Australia) and the Consumer Guarantees Act 1993 (in New Zealand).

4. In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

5. To be entitled to make a claim on this warranty the claim must arise during the warranty period and must be notified to Us during the warranty period and within 28 days of the claim arising. You must follow the steps in paragraphs 6 to 7 to make your claim.

6. If the product has been installed and cannot readily be uninstalled without damaging the product or other property, you must:

6.1 contact Us by email, post or fax:

(a) stating the name or item number of the product, your name, address and best contact telephone number;

(b) providing details (including photographs if available) of the issue and proof of purchase from a Bunnings store; and

6.2 if requested by Us, permit our representative to inspect the product.

7. If the product has not yet been installed or can be readily uninstalled without damaging the product or other property, you must return the product to any Bunnings store (see www.bunnings.com.au or www.bunnings.co.nz for store locations), together with details of the claim, your proof of purchase from a Bunnings store and your name, address, telephone number and email address (if you have one).

8. Without limiting any rights under the Australian Consumer Law (in Australia) and the Consumer Guarantees Act 1993 (in New Zealand), this warranty does not cover any damage or loss due to:

8.1 incorrect installation in accordance with the installation instructions accompanying the product;

8.2 physical impact damage;

8.3 exposure to chemicals, including acids or alkali;

8.4 incorrect cleaning procedures, including the use of corrosive or abrasive compounds or items.
